

Lori Grenier Berge of Sebago, Maine, died Saturday, May 28, 2011, at the age of 47. Lori died suddenly as the result of a choking episode.

She was born in St. Johnsburry on July 9, 1963, and graduated from St. Johnsburry Academy with the class of 1981.

Lori was the daughter of Robert and Colleen (Dickey) Grenier who both recently passed away; her mother in May 2010 and her father this April. Even quite a distance away, she cared very closely for them during their stay at The Canterbury Inn. Her husband Vic will always remember her love and devotion, especially during the extended times he was away on business, all the little things she did for him, and Lori's endless love for their daughter Lauren. Her brothers are wondering what they are going to do without her.

She is survived by her husband Vic and their daughter Lauren; three brothers Robert Grenier II, Gregg Grenier, and Martin Grenier and wife Veronica all of St. Johnsburry; a sister Kathleen; niece Jessica and her son Gabriel; niece Kimberly; two nephews Lucas and Samuel.

Her family will observe her burial privately at the Mt. Pleasant Cemetery in St. Johnsburry.

In Maine memorial services will be held Monday, June 6, at 7 p.m. in Baldwin at the North Baldwin Baptist Church. Lori became close with the church in recent years and will be greatly missed.

Memorial contributions could be directed to: North Baldwin Baptist Church, P.O. Box 126, East Baldwin, ME 04024.
